DOM CARLOS LIBERTY

The Dom Carlos Liberty opened in 2004 in line with the latest technology in the hotel industry to cater for today's needs. With its modern and extremely tasteful interior design that brings together comfort and functional features without forgetting the gracious art of hospitality, the Dom Carlos Liberty is special because of the constant care it takes over the quality of its services as well as its extremely competitive prices.

Located in the financial and shopping area of Lisbon, next to Avenida da Liberdade and the Marquês de Pombal metro station, the Dom Carlos Liberty is pleased to present the Dom Carlos Lounge, an innovative concept that provides an integrated space where a sophisticated buffet is served at breakfast, while later at midday the room changes into an attractive lounge with library, complimentary newspapers, plasma TV, quality background music, Internet access free, drinks and snacks self-service facilities.
